Cocos Keeling Islands: The most beautiful place you'll

ever go

Exploring the Cocos Keeling Islands is a journey best experienced on the water, where each tour provides a new perspective of the two atolls' marine world. After my adventure on Direction Island, I am eager to explore more of the islands, and the motorised canoe tour with Cocosday is the perfect way to dive deeper.

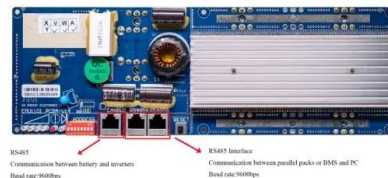

Swindon to install 5,000 solar panels on Orbital Retail Park

Swindon Borough Council has approved plans from the Orbital Retail Park to install 5,000 solar panels on the rooves of its buildings in the town. According to the BBC, the retail park submitted the request to install the panels in February, arguing that the installation would make "a significant contribution to the site becoming net zero

A solar panel installation business plan is a document that outlines the strategies you have developed to start and/or grow your solar panel installation business. Among other things, it details information about your industry, customers and competitors to help ensure your company is positioned properly to succeed.

Cocos Keeling Islands: Australia's Actual Hidden Gem

IT'S NOT EVERY DAY YOU GET TO visit your home country's most remote territory--but "location, location, location" is my mantra for visiting a place as off-the-radar as Australia's Cocos

(Keeling) Islands. Roughly halfway between Sri Lanka and the coast of Western Australia, this compact archipelago--two atolls and 27 coral islands--lies in balmy Indian ...
