Buying solar panels in Dominican Republic

Thanks for the info. I am definitely going with solar. I have the opportunity to buy excess solar panels from a solar farm project. They are commercial grade 320 watt panels for \$189 each. They have 100 to sell. I read a post on DR1 that stated solar panels are duty free. Not sure exactly what I will do but I will go solar.

Top Solar inverter Suppliers in Dominican Republic

Wholesale Solar Inverters for sale Besides solar panels, there are other components like solar inverters that are critical for both consumers and businesses. Particularly, if you are a solar installer, adding solar inverters to your inventory will help your business grow since users need this equipment to maximize and regulate the solar energy of their solar system. Solar power ...
