Why Are There Two Congos? Republic of the Congo vs Democratic Republic

Here are the main reasons why there are two Congos: 1. Colonial Partition of Africa: Berlin Conference of 1884-1885: During the late 19th century, European powers held the Berlin Conference to formalize the division of Africa into territories for colonization. The Congo River basin, rich in natural resources and strategically located, became a point of interest for ...

Human rights in the Republic of the Congo

The Republic of Congo gained independence from French Equatorial Africa in 1960. It was a one-party Marxist-Leninist state from 1969 to 1991. Multi-party elections have been held since 1992, although a democratically elected government was ousted in the 1997 civil war and President Denis Sassou Nguesso has ruled for 26 of the past 36 years. The political stability and ...
