SPATCO Energy Solutions

We're thrilled to bring two industry powerhouses to the platform as we continue to ride this wave of momentum. With UST, we're adding more regional firepower to our leadership teams in key geographies, while Hobby brings commercial electrical and EV infrastructure capabilities with automotive OEMs and various other customer-facing facilities.

SPATCO Energy Solutions

SPATCO Energy Solutions is an oil & energy company providing liquid handling equipment. SPATCO has 85+ years of experience as the go-to provider for petroleum equipment, installation, maintenance and environmental compliance with a full breadth of services, cutting edge technology and turnkey solutions.

Petroleum Solutions For Retail & Commercial

Years of Petroleum Solutions Experience. SPATCO (originally Southern Pump & Tank Company), has been around for over 80 years, and with that comes extensive knowledge of the petroleum solutions industry. We understand what you need for your fueling business, and that downtime can cause you to lose money every second.
