Moving to St Kitts? (Citizenship by investment) : r/StKitts

I'm from the United States and considering obtaining citizenship by investment in St Kitts and Nevis, but I have a whole lot of questions about the process. High speed internet is widely available. I have 100mbps up and down. StarLink claims that they will be available in St Kitts by the end of the year as well. And a house with solar

Internet from space for health centers , Starlink

St. Jude Children's Research Hospital is on a mission to cure, treat, and defeat childhood cancer and other life-threatening diseases. the places drone videographer Islay Petrie travels for work. Often, the infrastructure doesn't even exist. But with Starlink, she can stay connected while exploring the globe, whether that's capturing

Basseterre, St. Kitts -- The Government of St. Kitts and Nevis and the St. Kitts Electricity Company Ltd (SKELEC) have terminated the Renegotiated Power Purchase Agreement (PPA) with SOLEC Power Ltd (SOLEC) for the construction of a Solar PV and Battery Energy Storage Project. This decision follows the failure of SOLEC Power Ltd to meet [...]

Has anyone tried to power up a Starlink using solar panels

There are folks who have hacked their starlink system so that they feed it direct DC, skipping any ac conversion/inverters, running directly off their battery/solar systems. How much they had to invent/hack on the fly makes my brain ache.
