Sunpal power co ltd Germany

Overview

Who is sunpal power?

Sunpal Power Co., Ltd.: We're well-known as one of the leading solar panel, lithium battery, solar inverter, solar air conditioner, solar street light manufacturers and suppliers in China. Please feel free to buy cheap products from our factory. All customized products are with high quality and competitive price.

What makes sunpal a good company?

Sunpal's strength is that our products are cost-effective, fully certified, and accept customized services. Besides, we supply a one-stop solution, including panels, inverters, batteries, mounting brackets, and other accessories. Sunpal mainly manufactures solar panels and batteries.

How many watts can a sunpal solar module produce?

All-in-One solar energy kits ready for installation. Over 2GW of capacity, Sunpal can produce 10Wp to 600Wp solar modules based on full automatic production line. Our product range covers AGM batteries 2V/6V/12V, Deep Cycle GEL, Front Access, OPzS & OPzV as tubular batteries.

Where can I buy sunpal products?

Sunpal serves worldwide customers with high-quality products and professional services. Sunpal products have been widely sold to overseas markets, such as the USA, Canada, Germany, Czech Republic, Italy, Holland, South Africa, Tanzania, Thailand, and the Philippines.

What makes sunpal unique?

Since its foundation in 2008, Sunpal has accomplished significant achievements that outpaced most of our main competitors in terms of production capacity and the number of innovative designs. Sunpal factory is based in Jiangsu Province, with a factory area of 150,000 square meters, 1000

workers, and 100 staff members in the sales team.

What is the daily capacity of sunpal?

The daily capacity is 13MW. Sunpal upholds its belief that innovation is the key driver behind advancement by pursuing new technologies and higher efficiencies. We are proud to be a leader in the PV industry regarding technological innovations. Sunpal serves worldwide customers with high-quality products and professional services.
