## sunstore Reviews , 5 TrustIndex , Hellopeter

Sunstore is a legit and as good as it gets! I  
checked up on Whatsapp what's happening and  
every time I called Tshepang knew exactly who  
was calling not only by name but by order  
number too! Payment as smooth and  
professional as you would like it. They under  
promise and over deliver on shipment dates, got  
my order before the expected date.

## [Victron Sun Inverter IEC](#)

The Victron Sun Inverter combines a sine-wave inverter and a PWM solar charge controller in one enclosure and is easy to install, with a minimum of wiring. The inverter allows you to power domestic equipment - requiring 230V AC - using 'leisure' or 'automotive' batteries rated at 12V or 24V. The solar charger ensures that the batteries are being charged by energy harvested from ...
