Experience with Energy Advantage Roofing & Solar : r/Denver

Energy Advantage's contract does seem to include roof maintenance for (I think) five or ten years for things like leaks/etc after the install, which I found to be an attractive inclusion. Energy Advantage also seems to be a local company, at least their main office is located in Denver.

About

Today, True Energy is represented in several countries and has employees in Denmark, England, Poland, India, and Japan. Acquired by Landis+Gyr, a leading global provider of integrated energy management solutions to the utility sector, in April 2021, the company continues to innovate in energy management and optimization.
