UPB Energy produces cogeneration module with high acoustic ...

UPB Energy produces cogeneration module with high acoustic and environmental requirements for hospital in Basel, Switzerland. 21.02.2019. Last year, several energy projects were realised in Germany, and currently an ambitious project is under way in Basel, Switzerland. Namely, a cogeneration station with 600 kW capacity and high acoustic and

Energy Fest

Într-un context economic complex, influentat de creșterile prețurilor la energia electrică și de consecințele încălzirii globale, POLITEHNICA București reunește principalii factori de decizie din întregul spectru al ecosistemului energetic.

[Dmitrijs Mihailovs](#)

Technical Director at UPB Energy · Experienced Project Manager skilled in Biomass Power Plants and Boiler houses, and gas engine based cogeneration plants, with a Master of Heat and Power engineering and Business Management focused in Industrial Engineering and Management. · Experience: UPB energy · Education: Rigas Tehniska Universitate · Location: Riga · 171 ...

History

A subsidiary company is being registered in Switzerland - UPB AG GmbH. Stikla Centrs, and UPB Energy production facility buildings in Liepaja Industrial Park is being completed. 2006. UPB Energy, specializing in cogeneration and trigeneration modules and plants for energy projects, has been established.

[UPB Energy Group Profile](#)

UPB Energy Group consists of UPB GmbH in Germany, UPB AS GmbH in Switzerland and SIA UPB Energy in Latvia. UPB Energy specialises in designing, manufacturing, installing and maintaining nature-friendly energy technology devices, i.e. cogeneration and trigeneration plants. The group aims to create environmentally safe and sustainable energy solutions.

[Maris DZIRNIEKS](#)

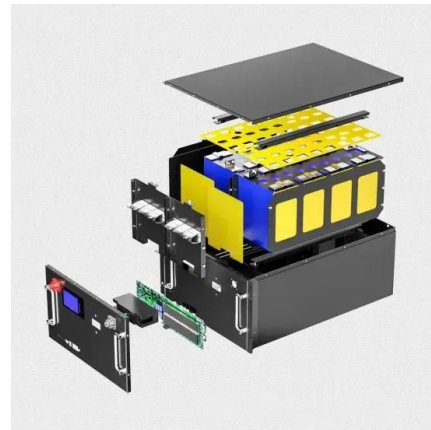

Experienced manager with a demonstrated history of working in the Oil & Energy industry. Skilled in Gas, Production Management, Power Plants, International Business, and Biomass. Strong business development professional with a Qualification of an Engineer focused in Faculty of civil engineering, Institute of Heat, Gas and

Water technology from Riga Technical University.

Wealth Management & Asset Management

4 ???· Union Bancaire Privée (UBP) is a family-owned and truly independent Swiss private bank, which caters to private and institutional clients. Deeply rooted in Switzerland, UBP's heritage is one of excellence, stability, discretion and professionalism. Today, UBP manages over CHF 150 billion in assets under management.

UPB Group -- UPB Group

The UPB group incorporates more than 20 companies that combine various business directions, such as design & engineering, construction, technical service, energy, machinery and production of glass, steel and concrete structures. In our home market we provide full-cycle construction services and are one of the leading general contractors in Latvia.

Biomass boiler house, Liepajas energija -- UPB Group

"Liepajas energija" biomass boiler house is one of UPB Energy's turnkey, projects, bringing together several companies of the UPB Group, which took care of the building's design and the full construction cycle. 30 MW thermal load; 2

biomass boilers; Fuel - Biomass (woodchips)
 Electrostatic precipitators; Flue gas condensers

Energy Solutions , UPB group

Construction of energy objects. UPB has extensive experience in complex construction of energy objects - ranging from small objects to large energy biomass cogeneration stations. By combining the competences of the UPB group, the energy projects can be delivered as turnkey solutions where UPB provides the full object cycle, including:

UPB Energy

UPB Energy grupa apvieno uzņēmumus UPB GmbH Vācija, UPB AS GmbH Šveice un SIA UPB Energy Latvija. UPB Energy specializējas dabai draudzīgu enerģotehnisko iekārtu - kogenerācijas un trigenerācijas staciju - projektēšana, ražošana, uzstādīšana un servisa nodrošināšana.

UPB grupa

UPB ir specializēties arī Design & Build jeb "Projektē un Buve" tipa projektos. Lielākas UPB uzņēmumu grupas ir MB Betons grupa, RK Metals grupa, AILE grupa, UPB Energy grupa un UPB Nams grupa. Uzņēmuma ražotnes un biroji ir izvietoti Liepājā, Rīgā, ...

Centro de energía inteligente y sostenible SEC , UPB

Conoce el SEC y los servicios que te ofrecemos. En el UPB Smart Energy Center (SEC) conceptualizamos, desarrollamos y validamos soluciones I+D+i, para afrontar con éxito los retos de la transformación energética global. Prestamos servicios de consultoría especializada, formación académica a la medida y llevamos a cabo proyectos de investigación aplicada, para ...

UPB Energy CHP module reaches 11 000 operating hours in Brimi ...

UPB Energy provides also maintenance services to Brimi factory. Operation of CHP plant is monitored distantly from the office of UPB Energy in the Switzerland, but engine monitoring is performed additionally by the cooperation partner MWM. Production and installation of Brimi cogeneration modules lasted for 8 months.

ULDIS PILENS , The European Business Awards

In 2007, UPB Energy group was established, consisting of companies in Switzerland (UPB AS GmbH), Germany (UPB GmbH), and Latvia (SIA "UPB Energy"), operating in the field of design, production, installation and service of cogeneration stations, as well as developing large, complex turnkey projects in the power engineering sector.
