## About Us

Island Energy is a family owned company established in 2009. Now with over 5000 installations across Australia this father-and-son electrical business evolved into a well known reputable organisation. We care about our customers and provide high quality service from design, advice, consultancy, installation and post sale after care and support. We develop career plans and ...

## Incidents and Warnings

Victoria has adopted the Australian Warning System where warning icons show the hazard image represented within a triangle shape. Under the Australian Warning System, Watch and Act is the second level of warning for Bushfire, Flood, Storm, Cyclone and Heat. Other emergencies may have Warning as the second level.
