**Vision_Smart_Batteries_Backup
 _Power , Long-Life FM Series**

The FM series products are medium-sized valve-regulated batteries with a long designed service life of 10 years. As AGM batteries with a lean design, they are sealed, maintenance-free, and can be installed in any direction.

UPS--Data Center

Vision Group provides lithium and lead-acid battery solutions for UPS applications. REVO lithium battery series, through the intelligent, modular, and green design, solve the customers' problems such as battery space occupation, complicated operation and maintenance, high replacement cost, difficult expansion and other problems, leading the future of UPS power development.

Battery String-S224

- 1C Charge/Discharge
- Easy configuration and maintenance
- Power supply can be single battery string or parallel battery strings
