### ENERGY STORAGE SYSTEM

**Product Model**  
HJ-ESS-215A(100KW/215KWh)  
HJ-ESS-115A(50KW 115KWh)

**Dimensions**  
1600\*1280\*2200mm  
1600\*1200\*2000mm

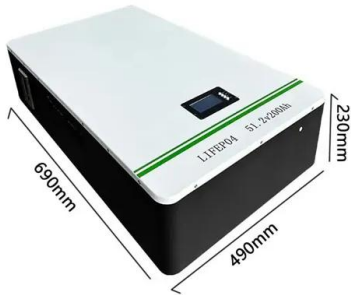

**Rated Battery Capacity**  
215KWH/115KWH

**Battery Cooling Method**  
Air Cooled/Liquid Cooled

## VRM Portal

The first thing to check is the VRM menu to make sure that the VRM is connected and communicating - if it isn't, follow the

troubleshooting here. If you are seeing that the GX device is connecting to VRM, then it can take up to a few hours or more for the data to sync to VRM and for the updates to show, depending on how much data there is to

## Introducing improved mini-graphs on VRM Installation Overview

Release Announcement: New mini-graphs Feature on VRM Installation Overview. We are happy to announce the latest enhancement to our VRM platform - the introduction of mini-graphs on the installation overview! This addition is designed to help you monitor and optimize your energy systems with greater precision and ease. Key benefits:

He has a rich experience in project management with insightful knowledge of various types of renewable power plants including wind farms, solar PV parks and biomass to energy power plants. He is responsible for Solar ...

## How do I download VRM energy data reporting

statusreportlastmonth  
 5-2023-A.pdfdownload1-6-2023.pdf

statusreportlastmonth 5-2023-A.pdf In the VRM console there is a function of creating a report with the data collected/stored by Victron.. The only report i can generate is a currency and only as PDF. What about energy values, KWH/Year-Month-Day-Hour per mesure point?

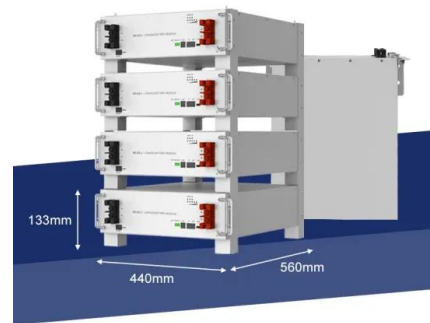

[Change language on VRM](#)

I have two installations on my VRM. One CCGX is set up with German language and the other is English. The VRM page shows German language. Is there a way to change to English? Normally apps are configured to look at the language used on the phone? VRM. Comment. 0 Likes 0 Show .

**VRM**

Monitor, manage and optimise your Victron Energy systems remotely and catch potential issues early by setting alerts and alarms. Field test: PV Modules. A real world comparison between Mono, Poly, PERC and Dual PV Modules. See VRM in action or check our downloads and helpful resources below. VRM - Remote monitoring product page. Experience

**Changing the Administrator of a VRM installation**

Hi @ Guy Stewart (Victron energy Staff). I have the opposite problem, a installation we put in has dissapeared from my list of sites on VRM, and VE Power Setup, I have the site ID (from a screenshot) and the VRM ID, who do I contact as an Installer to regain access to this site, its quite urgent as we have set the ESS to keep charged

whilst on site and now need to return it to ...

## [VRM Portal ID from Serial Number](#)

I would like to add an installation to the VRM Portal, it needs the so called Portal ID of the Lorawan module. The module is already installed on the remote site, is it possible to look up the Portal ID from the serial number of the module? (at the moment I only have the latter) Or is this number only noted down on the physical product itself.

## [Updated Advanced page on the VRM Portal](#)

Earlier this week, we've released a new version of the Advanced page of the VRM portal. Its now much more suitable to analyse the data of an installation. I would like to have a widget that counts a summary of amount of energy produced today, yesterday. I can see it by selecting produced last 7 days but that is a little cumbersome.

## [VRM Portal and Personal Access Tokens](#)

We are testing a VRM update to give more user control over access tokens, including the ability to add new ones from the UI, & revoke access to old ones. Hopefully the team with @mvader (Victron Energy) is able to make note of this or update the ApplImage to work directly with newer Linux distributions. The work done to bring VictronConnect
