Scott Wolter talks about Oak Island around the one hour mark

I was hoping my post would ferret out a comment from you. I was not disappointed. This from Wolter's book, Cryptic Code of the Templars in America: "The dot on the R on line six of the Kensington Rune Stone inscriptions proves the artifact is medieval, since the Dotted R was unknown to modern scholars until it was discovered in 1935.". This, of course, is just one tiny ...

Wolter

Wolter Power Systems delivers industrial engines and exchange engines for many industries, including the construction, agricultural, material handling, and industrial and electrical power generation sectors. Wolter Power Systems was acquired in 1998 by one of the largest material handling companies in the Midwest, Wisconsin Lift Truck Corp.
