Ilmatar in competition to build Åland solar park

Ilmatar now joins three other companies that have already expressed interest in building a large-scale solar park in Grelsby on land owned by Åland's Property Board. Åland's ambitious climate strategy, large number of sunshine hours and limited snowfall in winter make the region very attractive for large-scale solar energy production.

Hytech Solar: Long Island NY Solar Estimates

Hytech Solar isn't the type of solar company that will knock on your door to tell you to go solar simply because it's the latest trend. Instead, we strive to be a company that has our customers' best interests at heart at all times. Our goal ...

Lum-Tec Solar Vortex D2 Watch Review - StrapHabit

The one in question was the D2 model, with

yellow trim. It looked great in photos, and I liked the utility of it being solar, so I decided to try it out. Lum-Tec Solar Vortex D2 First Impressions. Besides never needing winding or battery changes, the other unexpected benefit of the solar-powered Vortex is its dial.
